Ph: 021 068 9188 | E: rose@cre8ive.co.nz**

2. East wing suite (the original maids' quarters): three rooms – bedroom, separate study and a small sitting area with a kitchenette.

3. Downstairs bedroom suite: with a new bathroom and a kitchen if required at weekends.

Reviews

Dr Natasha Patrick, May 2026 Course Participant:

"Royal Terrace was outstanding from start to finish, with spotless, comfortable accommodation and excellent food. Rose and Les made me feel genuinely welcome throughout my visit."

Dr Kate Dunhill, May 2025 Course Participant:

"Five stars! An ideal place to stay during the course — just a short walk to campus, spacious warm room with a private bathroom, and a great study area. The food was incredible — genuinely fine dining quality with flexible meal times. The hosts were amazing and made everything stress-free so I could focus on studying. Very reasonably priced for the quality. Highly recommend!"

Dr Rebecca Veitch, May 2025 Course Participant:

"I stayed at Marli for three weeks while attending a course in Dunedin, and I couldn't have asked for a better experience. Les and Rose were the most welcoming and accommodating hosts — they went above and beyond to make sure we felt right at home. The meals were absolutely delicious and there was always lots of variety and yummy desserts."

The house itself is a beautiful Dunedin heritage home; our rooms were warm and spacious. It was a great location, walking distance to both the city centre and the university. It was the perfect spot for while we were studying — warm, homely, and comfortable with great food."

I'd highly recommend Marli to stay and hope to see Rose and Les again — they felt like our second Dunedin family by the time we left!"
